# About JKAE

JKAE is a firm of A/E design disciplines specializing in architecture, planning, structural engineering, civil engineering, interior design and design-build services. We are an award-winning design team delivering sensitive, eloquent and sustainable solutions through a collaborative, intimate process. We bring 40 years of expertise driven design in public and private sectors through hands on services that are personal, passionate and proven. We will Imagine, Design & Build your vision into reality.
